INTERNATIONAL SOS

Supporting you as a Business Traveler

WORLDWIDE REACH. HUMAN TOUCH.

Internationalsos.com

For your healthcare needs during an international trip, **International SOS has you covered.**

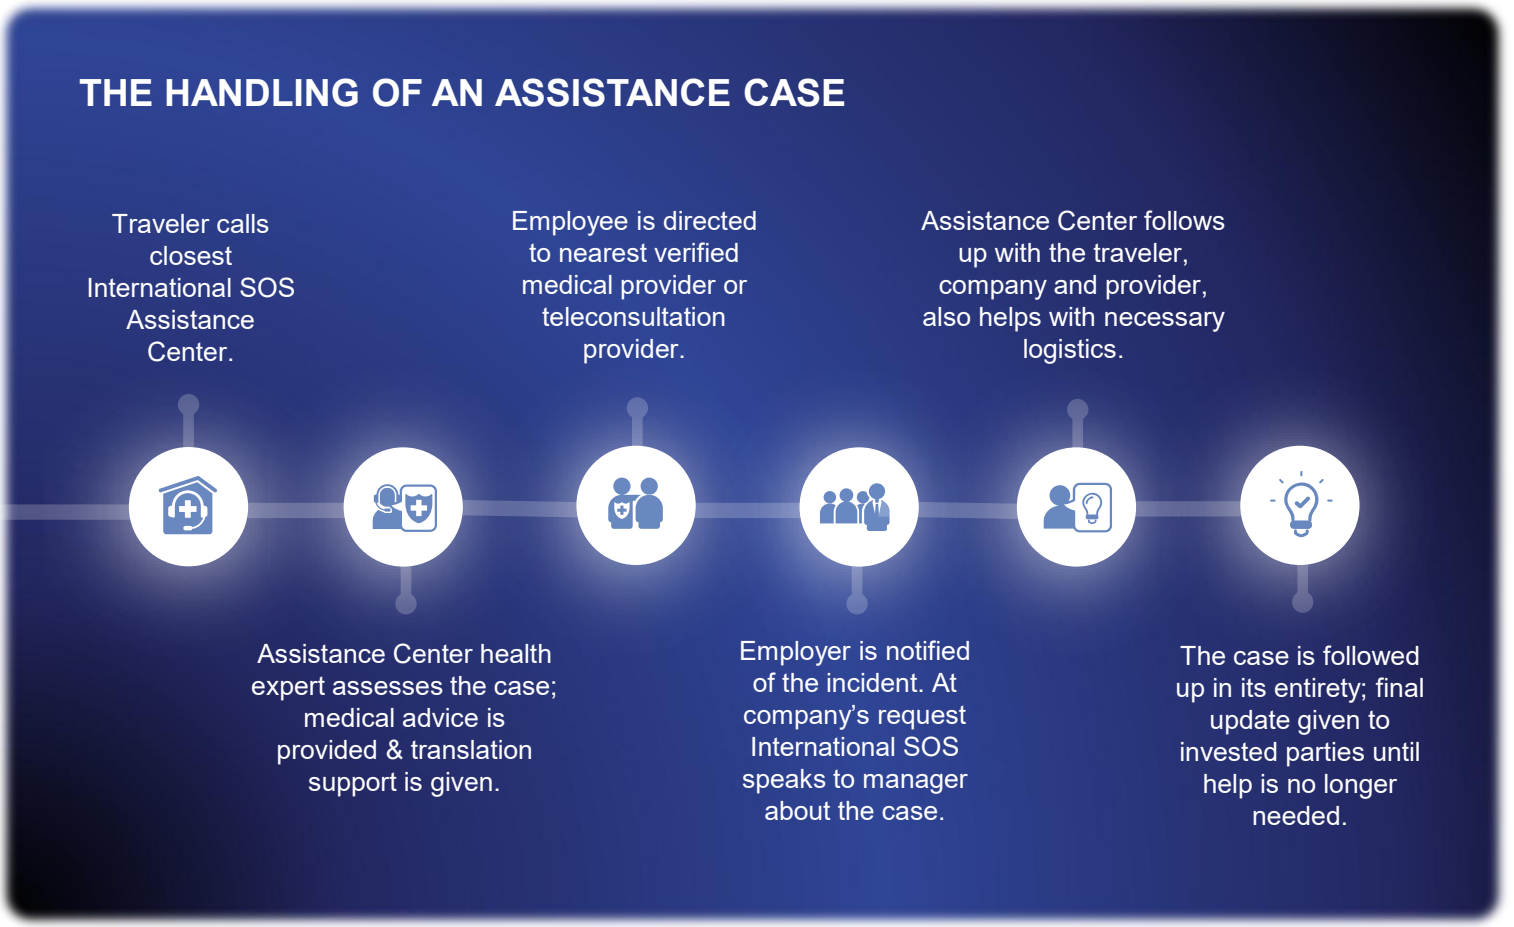

Parsons has partnered with International SOS, the world's leading medical and travel services company through a subscription program to keep you safe and healthy.

This assistance subscription provides expanded protection to support you with travel concerns, medical needs, and emotional support with licensed professionals that may arise anywhere around the globe.

International SOS medical professionals, and assistance coordinators are available 24/7 to provide advice, recommendations and on-the-ground support in your native language.

International SOS support routine needs and medical emergencies prior and during your trips.
Call us anytime whenever a question may arise. The earlier we are brought in, the better we can help.

THE HANDLING OF AN ASSISTANCE CASE

WHERE TO START

Around the Clock. **Around the Globe.**

ASSISTANCE APP

Seamlessly connect with your nearest Assistance Center – via 'push to call' or live chat. Access essential medical, and travel Information on countries or events around the world (with the ability to browse hundreds of City and country Guides.) Undertake a pre-travel risk self-assessment using the 'Travel Advisor' self-service functionality.

UNLIMITED 24/7 ASSISTANCE

Contact our medical experts for a confidential discussion prior to or anytime during your travel should you require health, or travel advice, information and referrals via our 28 Assistance Centers. Support available in over 100 languages.

CRISIS COMMUNICATION

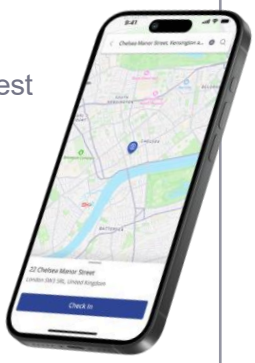

Receive automated alerts about emerging incidents via push notifications or email subscription - your team will always have the latest information by receiving proactive notifications and advice about potential and developing situations anywhere in the world.

MEMBER PORTAL

Our Location Guides are regularly updated, detailed assessments of 229 countries & territories and 440 cities. The guides contain essential travel, and medical information that you need to know when travelling. This includes the latest information on vaccinations, known threats, personal travel profile information such as LGBTQ+, female traveler advice and disease risks, as well as contact details for locally accessible medical facilities and advice on everyday health and safety.

Download the **Assistance App**

- Log in with your employee email address.
- One-click dial your nearest Assistance Centre for immediate advice and assistance.
- Country specific medical, and travel information.
- Activate your location settings and enable push notifications to receive the latest alerts for your location.
