INTERNATIONAL SOS
ASSISTANCE APP

Stay informed, healthy and safe while travelling at home and abroad

Use the International SOS Assistance App for medical and travel support, whether at home or abroad:

1. Log in with your employee email address.
2. Receive support from an International SOS Assistance Centre, 24/7, from anywhere in the world – with the tap of a button.
3. Country specific medical and travel information.
4. Activate your location settings and enable push notifications to receive the latest alerts for your location.
5. Vaccination and Visa requirements
